Dear Dominic,

Re. The Crown Prosecution Service (CPS) statement: Operation Lydd

I received an electronic copy today of your response – dated 26th July – to my letter of 21st July. My office has no record of this having been received, either electronically or in hard copy. As a result, in response to periodic enquiries, until today my office has been confirming that I am still awaiting a reply.

Your letter does not answer most of the substantive points in mine. I'd be very grateful if you could take another look at the points made in my July letter.

I will be putting this letter, and your reply, in the public domain.

Yours sincerely,
Andrew
